### Life of Stewardship Palm Sunday of the Passion of the Lord

***“The Lord has done great things for us, and we are glad.” (Psalm 125)***

I would like to express my deepest gratitude for your faithful prayer and unselfish support during this time I was waiting to receive an official employment authorization. Last Monday I received that good news and Bishop Larry immediately reinstate me as Administrator of St. John the Baptist.

I am back, and I am extremely happy because I will celebrate with you, my parish community, this Holy Week, and the Paschal feast that is the greatest feast of our Catholic Church.

I would like to thank Rev. Father Clement Beeri, for his work in this community as interim administrator; I also thank the staff of the parish, the members of the parish committees, each one of the members of the different ministries and each and every one of, as my parishioner of this family of Saint John the Baptist, for your prayers and support; Many of you generously gave me financial support during all this time; as I was waiting to actively return to my ministry, I am forever grateful for your generosity and support.

God's plans are perfect, and the lessons learned during this time of waiting were many and significant. I learned patience, I better understood the challenges that affected people in so many ways due to COVID-19 pandemic because even my life and ministry were affected due to this pandemic.

It is true that absence makes the heart fonder. I am more in love with this parish community than before. Today, I, once more, thank God, for the gift of my ministry, and I thank Him for all of you, hoping that together we can continue to grow as a community of faith and turn St. John into a true parish that fully lives stewardship as a way of life.

*Fr. Diego Restrepo*
